Rejuvenating Cleaner

Multipurpose Cleaner with Antimicrobial Reinforcement

Product Description

Ameripolish[®] Rejuvenating Cleaner is a concentrated multipurpose cleaner that removes daily debris from hard surfaces. Rejuvenating Cleaner Concentrate provides an additional level of protection to combat microorganisms, for floors cleaned with this product. Rejuvenating Cleaner contains no harsh chemicals, and does not cause build up on the surface. In addition to polished concrete, it is ideal for use on vinyl tile, ceramic tile, terrazzo, wood, and composite materials. It rejuvenates the floor by reapplying trace amounts of densifier and stain-resistant additives while you clean with an auto-scrubber. This allows the reapplication of SR² as far out as every 2 years.

Features

- Antimicrobial protection built-in to provide an additional level of protection from microorganisms
- Concentrated cleaner that removes daily debris from hard surfaces
- Contains stain-resistance additives that reinforce stain protection
- Contains no harsh chemicals
- Environmentally friendly, biodegradable
- Easy to use tear-off pouch
- Ideal for daily cleaning of polished concrete, terrazzo, epoxy, urethane, and other hard surface flooring

Uses

Ameripolish[®] Rejuvenating Cleaner is ideal to be used on:

- Polished concrete floors
- Vinyl tile floors
- Ceramic tile floors
- Terrazzo floors
- Wood floors
- Polyester counters and sinks
- Composite materials

Dilution & Coverage

Ameripolish[®] Rejuvenating Cleaner should be diluted 1 pouch to 1 autoscrubber water tank, regardless of tank size.

Product Specification

Application:	Rag, mop or auto-scrubber
Appearance:	Light blue
VOC:	Compliant (1g/l)
Shelf life:	1 year
Solvent:	Water-Based

Packaging Specification

Product #	Shipping Wt.	Container
RJCONP	4oz	Single Pouch Sample
RJCONP-CP36	1.5lbs	Case Pack 36 Pouches

Rejuvenating Cleaner

Multipurpose Cleaner with Antimicrobial Reinforcement

Application

Apply Rejuvenating Cleaner Concentrate with an auto-scrubber regardless of the autoscrubber tank size. Rejuvenating Cleaner Concentrate is designed to not over apply in small autoscrubber tanks (10-15 gallons) and also not under apply in larger tanks (20-30 gallons). For larger industrial equipment, with tanks of 60 gallons or greater, two pouches can be used. The auto-scrubber should be fitted with a SmartFloor™ daily maintenance pad. Clean with the auto-scrubber per manufacturer's directions. After cleaning, allow drying before traffic. Between cleanings, remove dust and debris with a microfiber pad or dry mop. Check wear of floor on a regular basis to determine if Stain Protector needs to be re-applied. Simply mix concentrated cleaner with water. Surfaces can be cleaned using a mop or auto-scrubber.

Cleanup

Ameripolish® Rejuvenating Cleaner washes up quickly with water.

Storage

- Store upright in safe dry place at 40-105F° (4 -41C°)
- Keep product from freezing
- Keep out of reach of children
- Seal container after use
- Do not mix with other chemicals

VOC Compliance

In addition, Rejuvenating Cleaner offers VOC compliance with low VOC at 1g/L and is also "Green Guard" certified with UL Solutions.
