Stain Slayer

High Performance Color-Etch Removing Solution

Product Description

Ameripolish Stain Slayer is our spot-fixing solution designed to remove color-etching introduced with most troublesome stains. Stain Slayer is very effective in environments where other aggressive chemicals are unsuccessful.

Features

- Spot-fix unsightly stains
- Fast acting (within minutes)
- Removes salts and minerals that can cause efflorescence
- Restores floors with color stain back to their original color

Dilution & Coverage

Stain Slayer is shipped RTU (ready-to-use) and should not be diluted or mixed with other products.

Application

1. Apply Stain Slayer with a conical tip sprayer when treating a problem area.
2. Spray a mist in circular motions on the problem area and then allow time for product to react with the stain.
3. After 10 minutes, wash the area with clean water and let dry.

Storage

- Store upright in safe dry place at 40-105F° (4 -41C°)
- Keep product from freezing
- Keep out of reach of children
- Seal container after use
- Do not mix with other chemicals

Project Conditions: Ambient temperature during application should be 40-100°F. (4-38°C)

Remove all larger debris before using Stain Slayer.

Spills of staining agents or acidic etching agents including acidic food substances (e.g. vinegar, pickle juice) should be cleaned up immediately to minimize damage to surface.

Product Specification

Application:	Spray
Appearance:	Clear
VOC:	Compliant (0g/L)
Shelf life:	Indefinite

Packaging Specification

Shipping Wt.	Unit
N/A	8oz Bottle
N/A	Other Quantities Made to Order

Surface should be cleaned regularly using an automatic scrubber with Ameripolish® Rejuvenating Cleaner mixed with water according to manufacturer's directions.

DO NOT use with acidic cleansers. Auto-scrubber should be fitted with non-aggressive cleaning tools such as brushes. Do not perform regular maintenance with aggressive pads such as diamond-impregnated pads or other abrasives. Use of aggressive pads will wear away stain protection and may, in time wear away color from concrete surface.

Cleanup

Rinse area with clean water to clean any area with excess dirt/product remaining on the floor.

VOC Compliance

In addition, Ameripolish® Stain Slayer offers VOC compliance with low VOC at 0g/.

*Before application, verify product conformance with local and state codes.
